

REVISION ROSTER: GRADE 9

Please refer to the **Exam Aid book**, papers E, F and G.

Make sure that you do the work on which you will write exam. Your teachers will inform you prior to the exams.

Week 1: Paper 1

Day 1: Rational numbers: Question 1 from paper E1, F1, G1

Day 2: Fin. Maths: Question 2, from paper E1, F1, G1

Day 3: Integers: Question 3: from paper E1, F1, G1

Day 4: Fractions: Question 4, from paper E1, F1, G1

Day 5: Exponents: Question 5, from paper E1, F1, G1

Week 2: Paper 1:

Day 6: Numerical and geometric patterns: Question 6, from paper E1, F1, G1

Day 7: Functions and Relationships: Question 7, from paper E1, F1, G1

Day 8: Algebraic expressions: Question 8 and 10, from paper E1, F1, G1

Day 9: Algebraic equations: Question 9, from paper E1, F1, G1

Day 10: Graphs: Question **11.2**, from paper E1, F1, G1

Week 3: Paper 2

Day 11: Geometry of 2D shapes: Question 2, from paper E2, F2, G2

Day 12: Straight lines: Question 3, from paper E2, F2, G2

Day 13: Pythagoras: Question 4, from paper E2, F2, G2

Day 14: Area and perimeter of 2D shapes: Question 5, from paper E2, F2, G2

Day 15: Surface areas and volumes of 3D shapes: Question 6, from paper E2, F2, G2

Week 4: Paper 2

Day 16: Transformation geometry: Question 8, from paper E2, F2, G2

Day 17: Data handling: Question 9 and Question 10, from paper E2, F2, G2

Day 18: Probability: Question 11, from paper E2, F2, G2
